Limited Bottled Water Distribution Announced for Town of Elma Residents Impacted by Water Main Break

The Town of Elma will be conducting a **limited bottled water distribution** this evening for **Town of Elma residents impacted by today's major water main break**.
Distribution will take place from **7:00 PM to 9:00 PM** at the following locations:

📍**Elma Volunteer Fire Company**
3007 Bowen Road, Elma, NY

📍 **Jamison Road Volunteer Fire Company**
1071 Jamison Road, Elma, NY

This distribution is **limited and intended for Town of Elma residents only** affected by the current water service disruption. **Residents are asked to bring a photo ID or proof of Town of Elma residency** in order to receive bottled water. Supplies are available while quantities last.

🚧 **Ongoing Repairs**
Town of Elma Water Department crews remain actively engaged in locating and repairing the water main break. Residents who still have water service are asked to **limit water usage to essential needs only** to help stabilize the system during repair operations.

📣 **Stay Informed**
Residents are encouraged to monitor the **Town of Elma website** and the **Elma Emergency Manager Facebook page** for the latest updates on restoration efforts and additional support measures.

📞 **Public Information Contact**
For additional information, please contact the Town of Elma at **716-652-3260**.

The Town appreciates the patience and cooperation of residents as crews continue working to restore full water service as quickly as possible.

Donald Trzepacz Jr.
Emergency Manager/Disaster Coordinator
